Allowable Subject Matter

5. Claims 1-3,5-8,10-13,15-18,20-23,25-28,30 are allowed over the prior art of record.

Reasons For Allowance

6. The following is an examiner's statement of reasons for Allowance:

Regarding Independent claims 1,6,11,16,21 and 26, Applicant's particular method and associated system for inserting at least one null operation instruction in an instruction set and recording live reference information for a garbage collection process within a data field of the null operation instruction and forwarding a request for new memory and the live reference information to a compiler concurrently in combination with other limitations of the claims, was not disclosed by, would not have been obvious over, nor would have been fairly suggested by the prior art of record.

The dependent claims, being further limiting to the independent claims, definite and enabled by the specification are also allowed.

Art Unit: 2165

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
